

Our Privacy Statement

Respecting the privacy of our members and of the Central Lake Norman Golden Boys (CLNGB) itself is a basic value of the CLNGB. Personal information is confidential and should not be disclosed to anyone without permission or authorization from the Board of Directors. It is the policy of CLNGB that such information must be kept confidential both during and after active membership in CLNGB. Unauthorized disclosure of confidential or privileged information is a serious violation of this policy.
